

**REMARKS**

The Office Action mailed on November 03, 2004, has been reviewed and the comments of the Patent and Trademark Office have been considered. Prior to this paper, claims 1-4 and 14-31 were pending. By this paper, Applicants do not cancel any claims, amend claim 31 and add claims 32-41. Therefore, claims 1-4 and 14-41 are now pending.

Applicants respectfully submit that the present application is in condition for allowance for the reasons that follow.

**Allowed Claims**

Applicants thank examiner Laxton for allowing claims 1-4 and 14-30.

**Acknowledgement of References Cited**

Applicants respectfully request that the references listed in the Information Disclosure Statement filed by Applicants on **December 15, 2003**, be initialed by an examiner and a copy of the listing showing the initialization be provided to Applicants' agent. Another copy of the Form PTO/SB/08 filed with the December 15, 2003, IDS is enclosed for the PTO's convenience at Appendix A of this paper.

**Claim 4 and the Preliminary Amendment filed on 1/22/99**

Applicants acknowledge the position of the PTO with respect to claim 4. Applicants therefore have amended claim 4 as seen above, and respectfully request that the amendment be entered.

### **Claim Objections**

Claim 31 stands objected to as being in improper form because it is a multiple dependent claim that depends from another multiple dependent claim (claim 21 via claims 22-30). In response, Applicants amend claim 31 as seen above.

Applicants have also added claims 32-41. These claims depend, respectively, from claims 21-30. The language of claims 32-41 is duplicative of claim 31, except for that relating to its dependency. Amended claim 31 and new claims 32-41, collectively, provide the same scope of coverage as would have been afforded by pre-amended claim 31 if a multiple dependent claim could depend from a multiple dependent claim. Claim 32 simply depends directly from claim 21, the claim from which claims 22-30 depend.

Applicants respectfully request entry of (i) the above amendment to claim 31 and (ii) the new claims, and respectfully submit that claims 31-41 should be allowed for at least the reason that the claims depend from allowed claims. Reconsideration of claim 31 and allowance of claims 32-41 is respectfully requested.

### **Conclusion**

Applicants believe that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested.
